- Gasliftarm for stepless adjusting
- Cable management frees your desk
- Ergonomic seating position through versatile adjustment possibilities

# W1-3D

## Wall-Mount Monitor Arm

Mount your monitor on the wall to save space on the desk. In few simple steps your desktop is securely attached to the wall. Thanks to the gas-lift technology, your monitor can be easily and smoothly rotated, swiveled or tilted in any direction. Also your ergonomic seating position is improved through ideal alignment according to your individual eye level.
