

DCP-7030 Compact Mono Multifunction Laser Printer

It is important for any business to keep overheads to a minimum. The DCP-7030 will help you do this with a great range of functionality, all at a great price.

Combining high quality printing, copying and colour scanning in a stylish, compact design, the DCP-7030 will fit easily into any home or small office workspace. And using it is easy too. It is compatible with both Windows and Mac operating systems and comes with a Quick Start Guide to have you up and running within minutes. The full speed USB 2.0 interface ensures a fast

connectivity with most modern devices, including laptops. There's a flatbed scanner to make copying and scanning bound documents easy and also a 250-sheet paper tray, meaning you'll spend less time refilling paper.

The Brother DCP-7030 comes with a separate toner and drum which means you only need to replace the toner or drum when necessary thus reducing your running costs. Using the optional high yield toner will reduce them even further.

To achieve high quality prints every time always use genuine Brother supplies.

DCP-7030 Technical Specifications

General

Technology	Electrophotographic
Type	Mono laser
Memory Capacity	16MB
Warm Up Time	Less than 18 seconds (from sleep mode)
Interface	Full-Speed USB 2.0
Display	2 line, 16 digit LCD

Mono Printer

Print Speed A4	Up to 22ppm
Resolution	HQ1200 (2,400 x 600), 600dpi, 300dpi
First Print Out Time	Less than 10 seconds
Print Language	GDI

Mono Copier

Copy Speed A4	Up to 22cpm
Resolution	Up to 600 x 600dpi
First Copy Out Time	Less than 15 seconds (from ready mode)

The DCP-7030 is much more than just a printer as it comes with a range of features that can really benefit your small business.

High quality colour and mono scanning.

Additional Features

Colour scan your documents

As a cost effective mono laser machine, the DCP-7030 still allows you to enjoy the benefits of full colour scanning using any one of the following options:

Scan to file: You can save time by scanning and saving documents to pre-selected files on your computer in whatever format you choose, including PDF, JPEG and GIF.

Scan to e-mail: Easily and conveniently send your paper documents via e-mail by scanning them straight to your default e-mail application as attachments.

Scan to OCR (Optical Character Recognition): If you need to edit a pre-printed document, you can scan and automatically convert it to text in your favourite text editing software e.g. Microsoft® Word.

Scan to image: Scanned images can be automatically loaded to your selected imaging or photo application, ready for you to save, edit or print.

Further software features

The DCP-7030 also comes with a range of comprehensive software features; including the ability to reduce and enlarge single or multiple page documents.

Poster printing: Where the need arises poster printing enables you to enlarge a single A4 page into a poster using 4, 9, 16 or 25 pages.

N in 1: This allows you to reduce 2, 4, 9, 16 or 25 A4 pages into a single A4 page.

Advanced copy features

In addition to the above, you can also benefit from these advanced copy features.

Reduction/enlargement: Reduce or enlarge your copied documents easily from 25% to 400% using 1% increments.

Stack and sort: If you need to make several copies of a multi-page document, then the stack and sort feature can automatically collate the pages into the correct order, so you don't have to waste time doing it by hand.

Copy or scan your bound documents.

Fast, high quality mono printing.
