

MFC-7320 Compact High Quality Mono Multifunction Laser Printer with Fax

The multifunctional MFC-7320 offers a superb all-round solution for the home office or small business.

Incorporating a printer, fax, copier and scanner in one compact and stylish machine, the MFC-7320 is small enough to fit into any workspace and you will be surprised at just how affordable it is. Quality is not compromised with a HQ1200 dpi print resolution and initial set up is made easy too with the Quick Start Guide – you will be up and running in no time on your Windows or Mac operating system.

The full speed USB 2.0 interface ensures a fast connection with most modern devices including laptops, and with both a flatbed scanner and 35-page automatic document feeder, copying and scanning all document types is made easy. It even comes with a 250-sheet paper tray, so you'll spend less time refilling.

The Brother MFC-7320 comes with a separate toner and drum which means you only need to replace the toner or drum when necessary thus reducing your running costs. Using the optional high yield toner will reduce them even further.

To achieve high quality prints every time always use genuine Brother supplies.

- HQ1200 dpi print resolution
- Separate toner & drum
- Full speed USB 2.0 connectivity
- 16MB memory
- 14,400bps G3 fax modem
- 8 one-touch dials, 200 speed dials
- ScanSoft® Paperport® 11 SE with OCR for Windows®
- Newsoft® Presto!® PageManager7 for Macintosh®

Colour scan your documents

As well as having all the cost saving advantages of mono laser printing, the MFC-7320 lets you enjoy the benefits of high quality, full colour scanning by using any one of the following options:

Scan to file: You can save time by scanning documents straight to a pre-defined location on your computer. You can even save in multiple formats, including jpeg, pdf and gif.

Scan to e-mail: Scan your documents directly to your default e-mail application to send as attachments.

Scan to OCR (Optical Character Recognition): Scan and convert paper documents to text, ready to edit on your preferred word processing program e.g. Microsoft® Word.

Scan to image: Scan images directly to your imaging or photo application, ready for you to save, edit or print.

Further software features

The MFC-7320 also comes with a range of comprehensive software features, including the ability to reduce or enlarge your single or multiple page documents.

Poster printing: Where the need arises poster printing enables you to enlarge a single A4 page into a poster using 4, 9, 16 or 25 pages.

N in 1: This allows you to reduce 2, 4, 9, 16 or 25 A4 pages into a single A4 page.

Advanced copy features

In addition to the above, you can also benefit from these advanced copy features.

Reduction/enlargement: Reduce or enlarge your copied documents easily from 25% to 400%, using 1% increments.

Stack and sort: If you need to make several copies of a multi-page document, then the stack and sort feature can automatically collate the pages into the correct order, so you don't have to waste time doing it by hand.

Fax features

The MFC-7320 comes with a range of features to make faxing easy.

Speed dials: For convenience, you can store up 200 speed dials using the numerical keypad.

One touch dialling: 8 of your most frequently used fax numbers can be saved and accessed with the touch of a button.

PC-Fax: PC-Fax enables you to scan documents to your computer to send as a fax message, thus eliminating the need to print out documents to fax. And the PC-Fax address book will help you to configure, add, amend or delete contacts from your address book.

Far more than just a printer, the MFC-7320 comes with a host of features that can benefit your business.

Automatic Document Feeder – ideal when faxing, copying or scanning multiple page documents.

High quality colour and mono scanning.

Fax, copy or scan your bound documents.
