## Wireless Laser Mouse

CNR-MSLW01x

To enjoy more freedom when working on your notebook or on your PC, a wireless mouse like the CNR-MSLW01x is a great solution to avoid a clutter of wires on your desk. It offers you advanced laser technology of 2.4GHz and a switchable resolution of up to 1600 dpi for an impressive performance. The mouse features a unique built-in storage compartment for its super mini USB receiver. It has an ergonomic and compact design for a comfortable navigation, a high precision motion control and smooth tracking. It is also compatible with the latest operating system from Microsoft, Windows 7. It is available in black with orange, blue, pink or silver accents.
