

# Charge & Sync Cable CCMG60

The trouble of tangled cables and slow charging will no longer worry you – meet the CCMG60 Magnetic Fast Charge & Sync Cable, created for those who seek speed, convenience, and organization in their everyday tech. Need to power up your devices or transfer data? This cable does it all faster and smarter.

With 60W Power Delivery, your laptop, tablet, or smartphone will charge at lightning speed, which really helps keep up with an active lifestyle. Need to sync files? Enjoy 480Mbps high-speed data transfer – lag is now a thing of the past. But what truly sets this cable apart is its magnetic design: it sticks to any metal surface, stays neatly in place, and even stacks with other magnetic cables for the most effortless organization. No more messy cables cluttering your space!

At 1 meter in length, it's long enough for convenience but never gets in your way. Simply untangle the exact length you need while charging and enjoy mess-free storage when you're done. Toss it in your bag, wrap it neatly around your charger, or snap it to a metal desk. Wherever life takes you, this durable and easy-to-carry cable can keep you powered and organized.

## 60W POWER DELIVERY

Power up without slowing down. With a robust 60W Power Delivery, the CCMG60 charges laptops, tablets, and smartphones at full speed with no waiting around or overheating. It's perfect for those moments when you need serious power on the go. Keeping your workflow and your day running smoothly has never been easier.

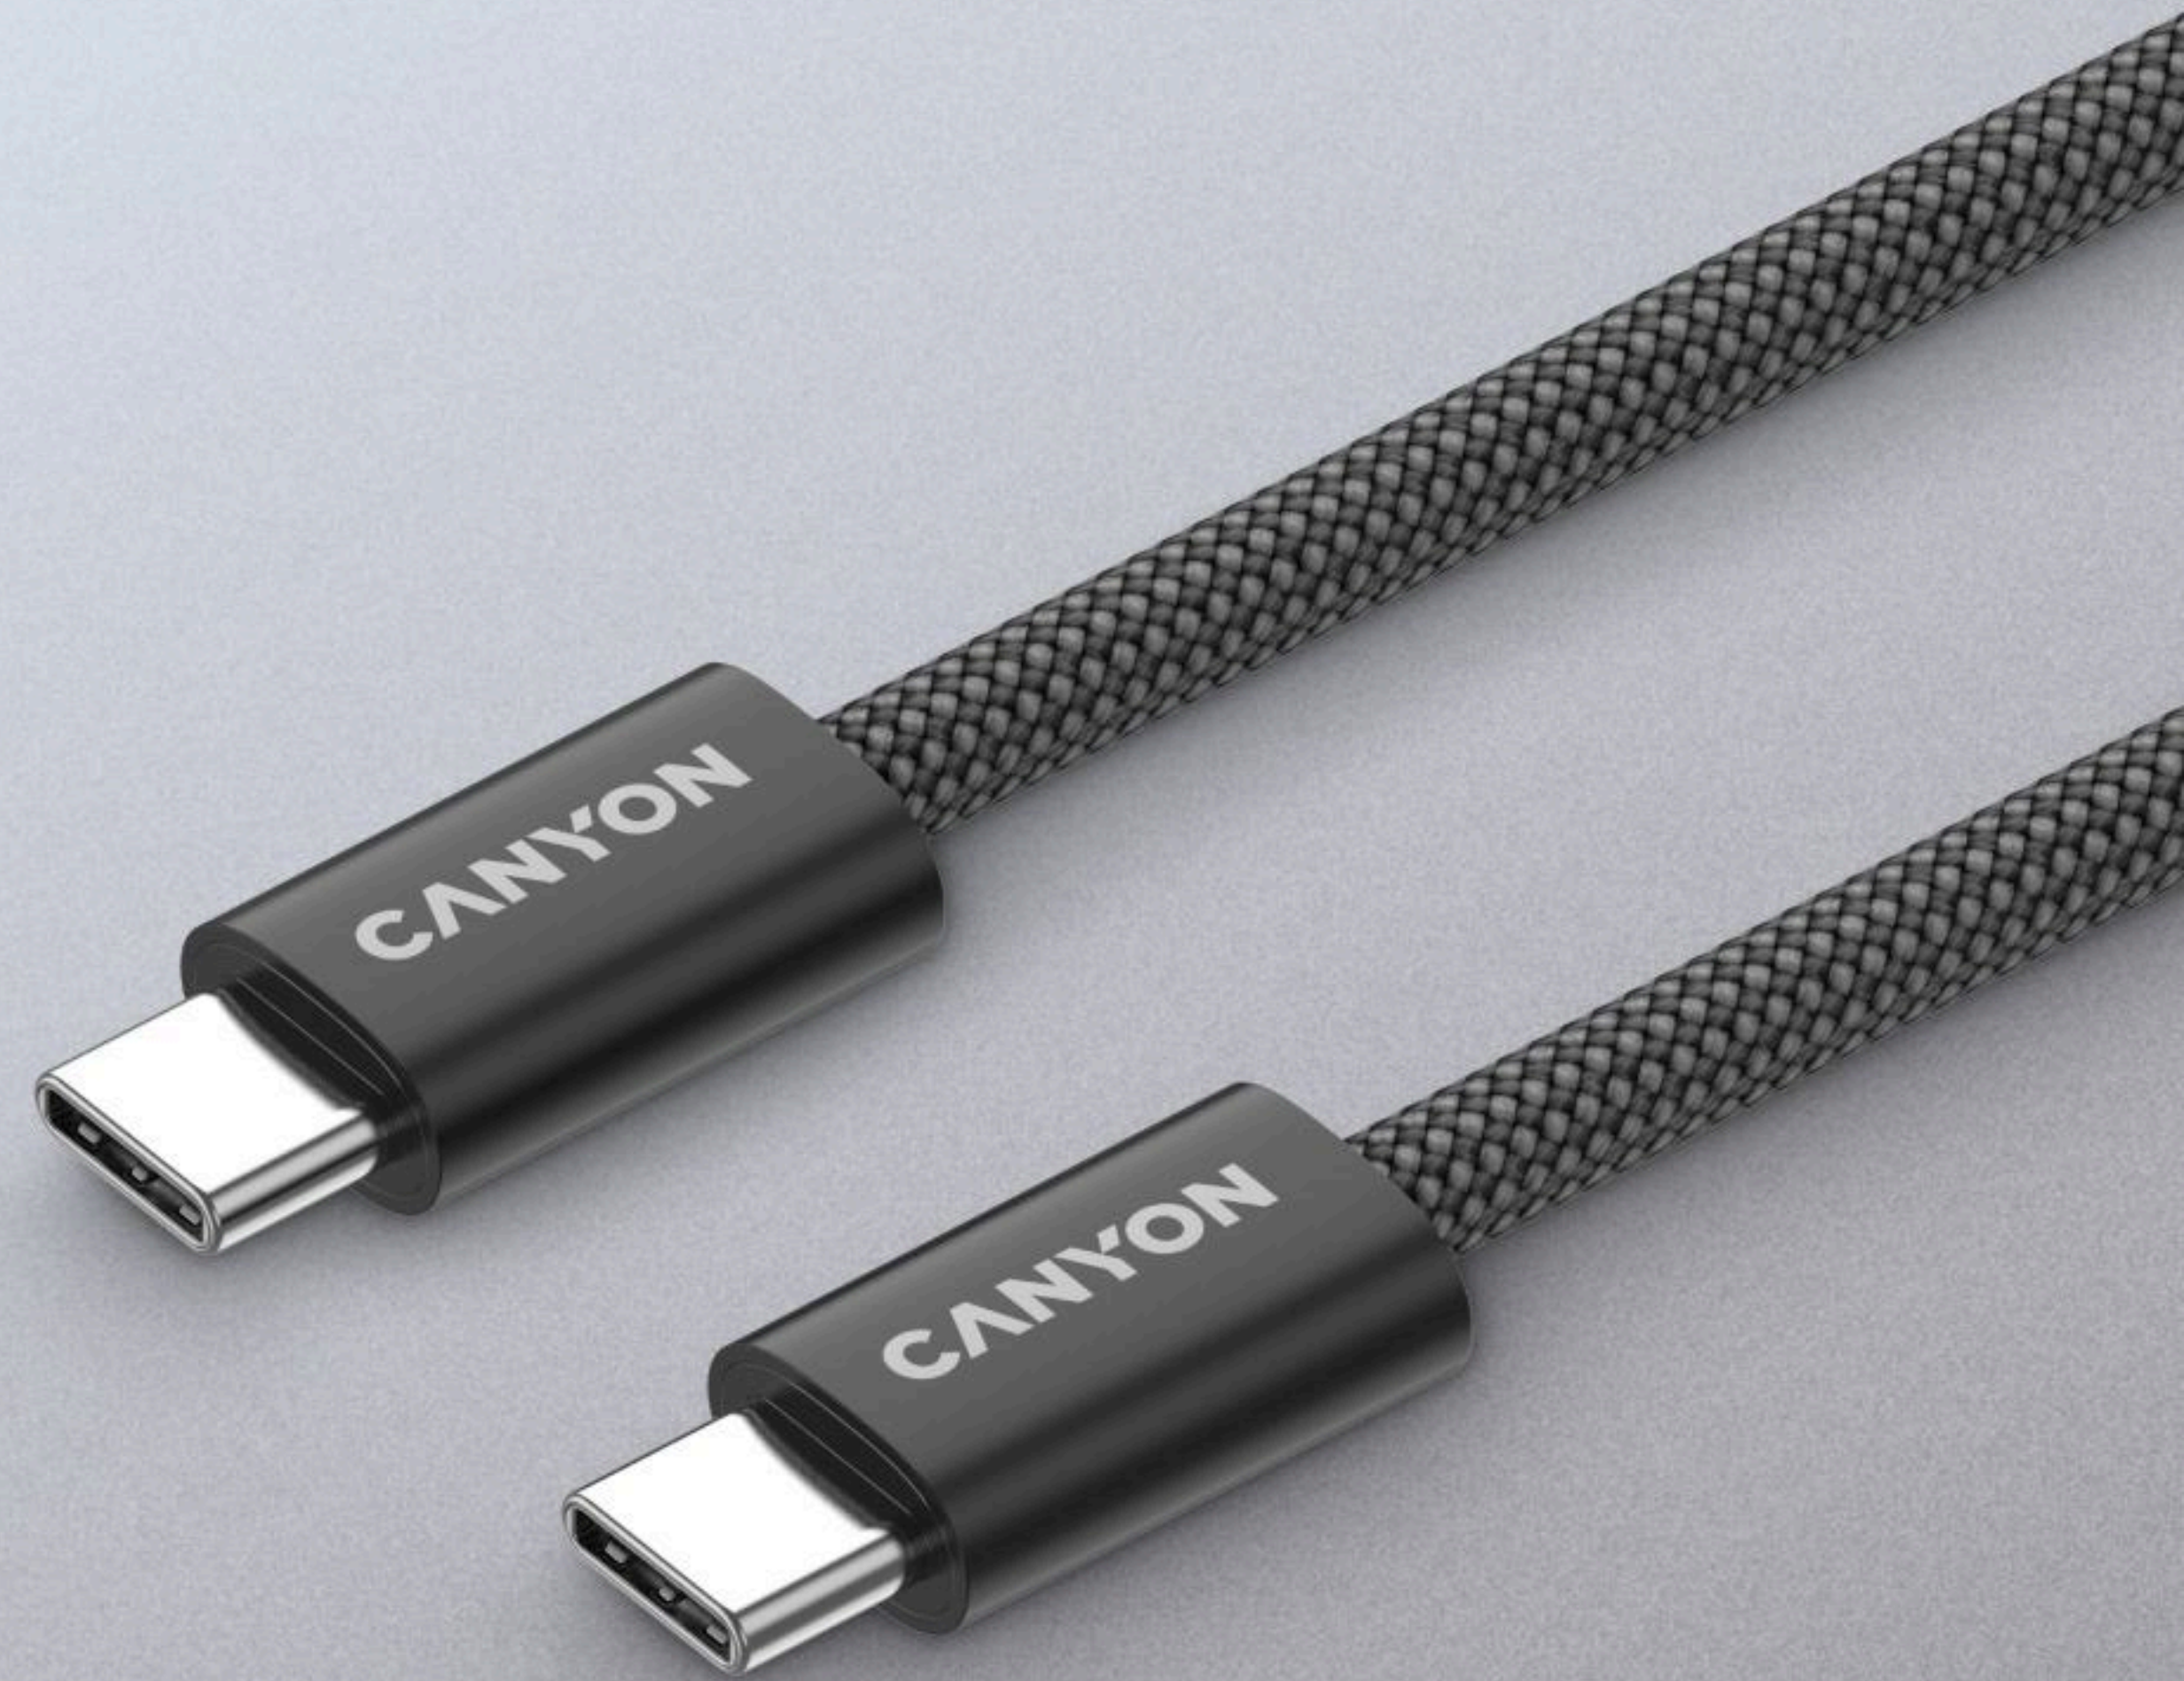

## 480Mbps HIGH SPEED DATA TRANSFER

Move your files in a flash. Whether it's photos, videos, or essential documents, the CCMG60 transfers data at up to 480Mbps, so you're never left waiting. Seamlessly sync between devices with the speed and stability you need to keep things flowing.

## C TO C CONNECTORS

Modern devices deserve a modern connection. With USB(C) to USB(C) connectors, the CCMG60 is built for today's tech. It delivers faster charging, smoother data transfer, and full compatibility with the latest laptops, tablets, and smartphones. It's the universal standard, made even smarter.

## TANGLE-FREE STORAGE

No more wrestling with knots. The CCMG60's magnetic design keeps the cable neatly coiled, stacked, or snapped to any metal surface so it's always organized and always ready. Use just the length you need, and store it mess-free in seconds. Pocket, bag, or desk — it stays tangle-free wherever life takes you.

## 1M CABLE LENGTH

Just the right reach without the clutter. At 1 meter long, the CCMG60 has the perfect balance of flexibility and control. It's long enough to use comfortably while charging, yet short enough to stay neat and out of your way. Designed for everyday ease, whether you're at home, at work, or on the move.
