

EGO

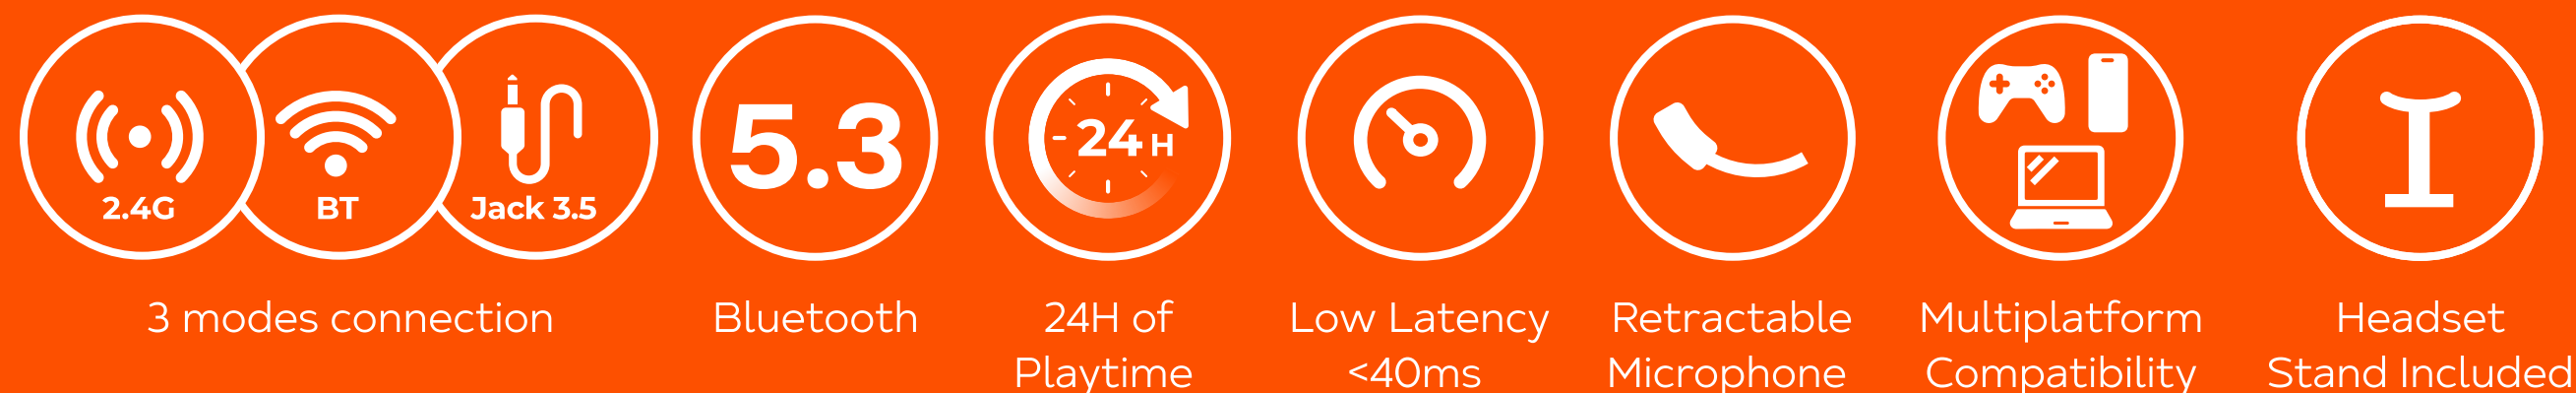

Wireless gaming headset GH-16

Imagine diving into your favorite game, where every footstep and explosion is delivered with razor-sharp clarity. The Ego GH-16 Wireless Gaming Headset is meant to do just that, transforming the way you hear, play, and connect. Designed for top performance, this headset delivers a fast, uninterrupted connection with BT 5.3, letting you game wirelessly without lag or dropouts. And when every second counts, the 40mm high-fidelity drivers bring deep bass, crisp highs, and immersive surround sound, pulling you deeper into the action.

But power means nothing without endurance. With up to 24 hours of battery life, you can grind through long gaming sessions, binge-watch your favorite shows, or listen to music for hours on end without interruption. For a quick boost, the fast-charging Type C port gets you back in the game in no time. And when wireless isn't an option, simply switch to the 3.5mm wired connection for instant, latency-free sound.

Built for long-term comfort, the Ego GH-16 features lightweight construction and plush ear cushions, making marathon sessions feel wonderful. The headset's versatile design adapts to your every need, like strategizing with teammates, jamming to your favorite playlist, or taking important calls. No wires or limits – just pure, game-changing sound that keeps you ahead of the competition.

UP TO 24 HOURS OF PLAYTIME

Forget battery anxiety – this headset is built for marathon gaming sessions. With up to 24 hours of battery life, you can stay in the zone without constant recharging. The GH-16 has the endurance to keep up with you grinding through a campaign, streaming movies, or taking calls.

LOW LATENCY PERFORMANCE: <40MS RESPONSE TIME

Every movement, shot, and sound cue is delivered in real-time with an ultra-low <40ms latency. No delays or lag – you get pure, synchronized audio that keeps you ahead of the competition. Perfect for FPS games, fast-paced action titles, and esports-level performance.

IMMERSIVE DEEP SOUND WITH POWERFUL 40MM SPEAKERS

Feel every explosion, hear every footstep, and lose yourself in the world of your game with high-fidelity 40mm drivers. Designed for rich bass, crystal-clear highs, and immersive rich sound, this headset lets you detect enemies before they see you.

RETRACTABLE MICROPHONE

Coordinate with your team like a pro with a high-quality retractable microphone. When in use, it captures your voice with precision, ensuring crisp, noise-free communication. When you're off duty, simply slide it away for a clutter-free look.

WHEEL CONTROL FOR EFFORTLESS ADJUSTMENTS

No need to pause the action: the built-in volume wheel lets you make quick sound adjustments on the fly. Whether you're in a heated match or vibing to music, staying in control has never been easier.

MULTI-PLATFORM COMPATIBILITY

From PS5, PS4, and Nintendo Switch to PC, laptops, smartphones, tablets, and smart TVs, the GH-16 connects effortlessly to all your devices. Gaming, watching movies, or attending online meetings? This headset is ready for anything.

DESIGNED FOR BOTH GAMING & WORK

Beyond gaming, the GH-16 is perfect for everyday use. This headset offers the versatility you need for working remotely, streaming content, or taking Zoom calls. Comfort, durability, and multi-purpose functionality make it a must-have for any setup.

HEADSET STAND INCLUDED

No more clutter! The GH-16 comes with a dedicated headset stand, keeping your gaming setup neat and organized when not in use. Store your headset safely while adding a sleek touch to your desk.
