

# Open Wireless Headset OnGo 12

Meet the OnGo 12 Open Wireless Headset, the perfect blend of comfort, technology, and awareness. You can be out for a morning jog, tackling a busy day, or just enjoying your favorite tunes, and this headset will fit seamlessly into your lifestyle – literally and figuratively.

With its air conduction technology, the OnGo 12 delivers crystal-clear sound while keeping your ears open to the world around you. Think of having your own personal soundtrack without losing touch with your environment. Perfect for outdoor sports or on-the-go multitasking, the ear-hook design ensures all-day wear without any discomfort. No ear fatigue ever again and instead, endless comfort.

The OnGo 12 offers an impressive 8 hours of usage per charge, with up to a staggering 50 hours total when paired with the charging case. This headset has enough endurance to match your pace no matter what's on your daily agenda.

Clarity is key, and the 4-mic ENC system ensures your voice is heard loud and clear, even in noisy surroundings. Paired with BT 5.4 for a stable and fast connection, your calls, music, and podcasts will never skip a beat. The Bluetooth 8932F chipset powers such incredible performance, bringing efficiency and top-notch sound quality to the table. Crafted from ABS and liquid silicon, the OnGo 12 feels as good as it looks. Lightweight yet durable, it can withstand the rigors of your active lifestyle while staying sleek and stylish.

Ready to elevate your listening experience? Get the OnGo12, your daily companion for convenience, connectivity, and complete awareness.

Enjoy your music while staying aware of your surroundings.

## AIR CONDUCTION TECHNOLOGY

Experience the new era of sound with air conduction technology. By transmitting audio through air vibrations near your ears, this feature provides crystal-clear sound without blocking your ear canals. Stay aware of your surroundings while enjoying your favorite tunes – perfect for outdoor activities or multitasking in busy environments.

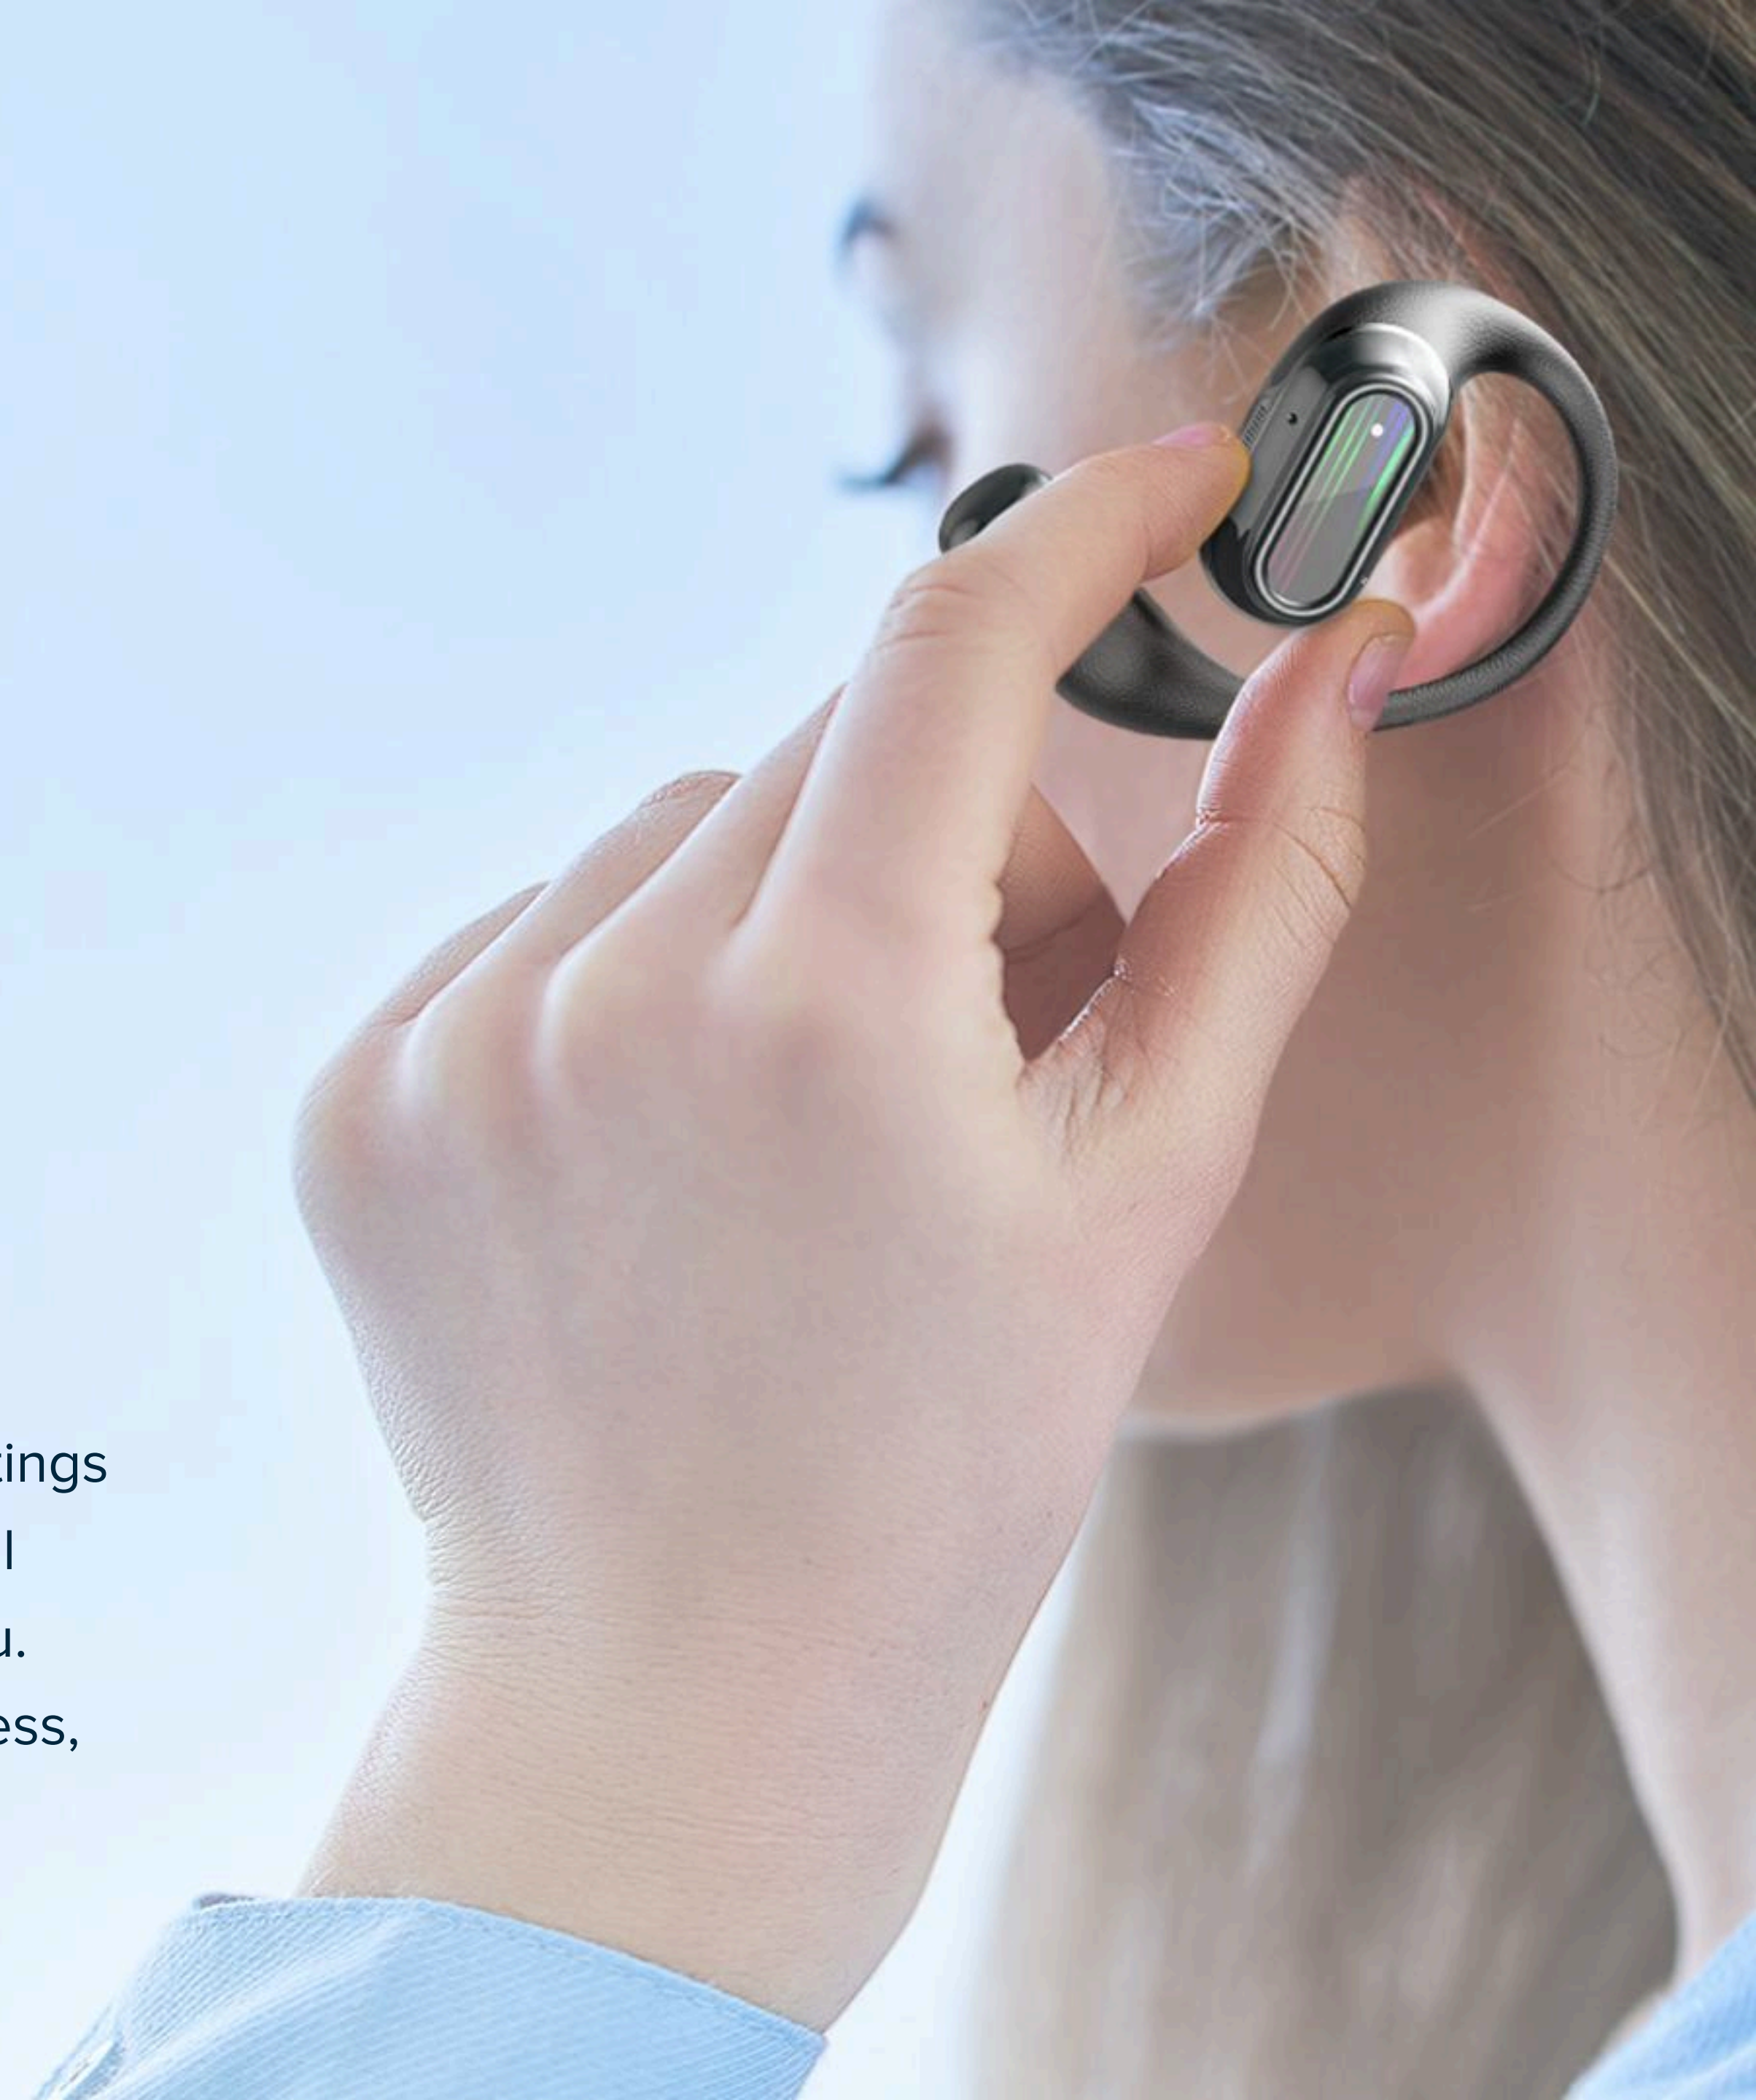

CANYON

## **4-MIC ENVIRONMENT NOISE CANCELLATION**

Stay connected without distraction. The 4-mic Environmental Noise Cancellation (ENC) system ensures your voice comes through loud and clear, even in noisy environments, making calls and virtual meetings a breeze. Paired with air conduction technology, you get exceptional sound quality while keeping your ears open to the world around you. This design combines superior audio clarity with situational awareness, so you never miss a word or a moment.

## **STABLE CONNECTION AND ENERGY EFFICIENT**

Powered by BT 5.4, the headset provides a seamless and reliable connection with minimal lag. Its advanced chipset optimizes energy usage, meaning longer playtime and efficient operation. Here's to uninterrupted streaming and calls!

## COMPACT AND ELEGANT DESIGN

Sleek, lightweight, and stylish, the OnGo 12 is crafted from ABS and liquid silicon for durability and comfort. Its ear-hook design is ergonomic and non-intrusive, making it perfect for all-day wear. Such a blend of form and function keeps you looking great while feeling great.

## IMMERSIVE AUDIO EXPERIENCE

Despite its open-ear design, the OnGo 12 delivers unmatched sound quality. With well-balanced tones and a dynamic range, you'll get rich audio while staying open to ambient sounds. There's no better way to enjoy safety without sacrificing quality.

## LONG BATTERY LIFE — UP TO 50h WITH CASE

Battery anxiety is in the past now. With up to 8 hours of listening time on a single charge and an additional 42 hours from the charging case, the OnGo 12 has the endurance to handle even your busiest days. The case charges fully in just 2.5 hours, so you're always ready to go.

## TOUCH CONTROL

Take it easy with intuitive touch controls. Play, pause, skip tracks, or take calls, all with a simple tap or swipe. Everything you need is at your fingertips, so you can stay focused on the moment.
