

RELAXATION AT YOUR COMMAND

FEATURES

- Customized Your Favorite Massage Journey**  
With the built-in joystick, you can quick-adjust the position and width of the massage head. Additionally, it's compatible with a Hybrid M's App to experience the luxury of recording and personalizing your massage programs effortlessly. Whether you crave a soothing, stress-relieving session or a powerful, invigorating massage, it's all at your fingertips.
- No cords, No limits: Massage Anywhere**  
Precision-engineered for optimal power efficiency, the 14400mAh power bank ensures you can enjoy a recommended 1 hour of soothing massage on a single full charge.
- Ergonomic, Stylish Comfort**  
Hybrid M is defined by a light yet strong MuscleFlex® mesh stretched across the high-density cold-molded foam to maximize comfort and help reducing heat from lengthy seating. Combined with a magnetic lumbar support, integrated headrest and 3D armrest, Hybrid M produces an all-rounded comfort to your seating experience.
- Tough yet Premium**  
Made from a rock-steady steel frame in combination with a premium aluminum base, the Hybrid M is built with high-quality, reliable, long-lasting materials.

Hybrid M is the continuation of our Hybrid 1's innovative design that bridges the void between work and play. With the built-in massage function, you can adjust the massage head to any part of your back. The massage experience isn't just a luxury; it's a necessity for those who demand the best. Take charge of your well-being and indulge in massages that cater to your unique needs and desires. It's time to experience relaxation like never before. Besides, Hybrid M is powered by a battery bank that no cord is necessary to power the chair.
