Dell 24 Monitor | S2415H
60.47 cm (23.8 inches)

The Dell 24 Monitor offers you:

An enhanced visual and audio experience

Enhance your home entertainment fun with awesome features — crystal clear visual and audio, seamless widescreen viewing on a glossy screen — all in a virtually borderless monitor. Great for any home entertainment setting.

- Get sharp, vivid, cinematic-quality pictures with Full HD resolution and colors that are rich, consistent, and accurate across an ultra-wide 178°/ 178° viewing angle.
- Enjoy superb sound quality with the S2415H's 2 x 3W integrated speakers for a crisp, full audio experience. Plus you can stream audio directly from your handheld device to the monitor for an immersive gaming/ movie experience.
- Virtually borderless, the ultra-narrow bezel improves your widescreen experience, allowing the thinnest possible edges to be placed side by side for a seamless dual monitor viewing experience**.

Perfect for:

- Watching movies, video streaming
- Casual gaming
- Internet, viewing stocks online
- Listening to your favorite music

Flexible viewing and connectivity options

Offering seamless connectivity with handheld devices and viewing comfort with choice of VESA mounting options and tilt capability.

- Display content and stream audio directly from your smartphone/tablet to your monitor and charge it at the same time when you connect your device via HDMI (MHL) to your monitor.
- VESA mount capability offers you the choice to wall mount or attach the monitor panel to the optional Dell Single Monitor Arm for a clutter-free desk top.
- Easily customize to your preferred viewing angle by tilting 5° forward or 21° backward.

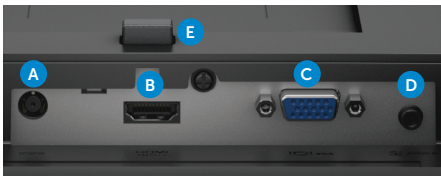

Reliability and eco-efficiency

- With Dell's Advanced Exchange Service³, a replacement monitor is shipped to you by the next business day, minimizing your downtime.
- Made of environmentally preferable materials, the Dell 24 Monitor is made from more than 25% post consumer recycled materials in its chassis, has BFR/PVC-free laminates in its circuit boards, an arsenic-free glass and a mercury-free LED panel.
- Rest assured that the S2415H meets the latest environmental standards such as ENERGY STAR, EPEAT[®] Gold² and TCO Certified Displays. Power saving features such as PowerNap also help you minimize your power consumption.

Designed to expand your home computing experience.

Connectors

- A Power adapter
- B HDMI/MHL
- C VGA
- D Audio line-in
- E Stand lock
- F Headphone port

What's in the box?

Monitor, stand, stand base, cable cover, power cable (varies by country), power adapter, HDMI cable, Drivers and documentation media, Quick Set Up Guide, Safety and regulatory information.

Dell recommends that customers dispose used computer hardware, including monitors, in an environmentally sound manner. Potential methods include reuse of parts or whole products and recycling of product, components and/or materials.
