

WorkForce AL-MX300DNF

Our fastest 4-in-1 multifunction mono laser printer, featuring an outstanding level of reliability and Document Capture Pro compatibility¹.

Print with confidence using this mono laser printer, featuring an impressively high duty cycle, efficiency-boosting document management system compatibility, and a low total cost of ownership (TCO). Print, scan, copy and fax with this multifunction printer that has a compact footprint and a standard paper capacity of 300 pages.

High performance made affordable

Print up to 35ppm, with a first page out time of just 5.5 seconds², using this speedy multifunction printer; perfect for workgroups and offices. This model has a very low cost per page (CPP) and low total cost of ownership, a high toner cartridge yield of up to 10,000 pages³, and duplex printing as standard.

Reliability

Rely on Epson's expertise and the AL-MX300DNF's 100,000 page duty cycle⁴ to keep you printing for longer.

Flexibility

Print securely and in confidence thanks to compatibility with Epson's Email Print for Enterprise software⁵. Featuring LDAP address book support for quick integration in IT environments, allowing users to import an existing address book. In addition, documents can be scanned and sent directly to email accounts, FTP and network folders, ensuring that important paper documents can be shared instantly with members of staff anywhere. Use Epson's free iPrint app⁶ to print and scan from your tablet or smartphone, and share your files online. Documents can also be scanned straight to USB, ideal for quick document sharing or saving important files to portable memory devices.

Efficient document management

Organise documents easily and quickly; this printer is compatible with Document Capture Pro¹, featuring push scan functionality, cloud services and document management systems integration.

TONER CARTRIDGE COLLECTION PROGRAM

This free service helps us to collect and recycle used Epson toner cartridges in a safe and environmentally-friendly way. There are three easy ways to dispose of your empty cartridges and take an action role in reducing waste:

- Put them in a toner cartridge collection box which will be picked up once full
- Return them free of charge by Post
- Drop them off at an Epson Express Center. Please visit www.epson.com/recycle for more details about the program.

1. - Requires download from the Epson website
2. - Determined in accordance with ISO/IEC 24734 showing the average of ESAT / FSOT from the Office Category Test for default simplex /duplex. For more information visit www.epson.eu/testing
3. - In accordance with ISO/IEC 19752/19798
4. - The maximum number of printed pages per month based on the performance capabilities of the printer, including ISO rated print speeds and paper handling capabilities
5. - Please visit www.epson.eu/epe for more information.
6. - Epson iPrint-enabled printers must be on the same network subnet as the smartphone and tablet PC being used. For more information, supported languages and devices, please visit www.epsonconnect.eu
