EcoTank mono ET-M2170
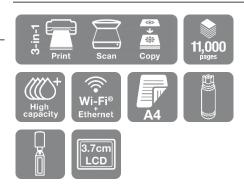

With mobile printing, this 3-in-1 EcoTank features Wi-Fi, a LCD screen, double-sided printing and 250-sheet tray.

Mobile printing is easy with this durable, fast and energy-efficient EcoTank. With print, scan and copy, it provides a low-cost printing solution, that will save you 400 over three years[1]. A cost-efficient solution, print up to 11,000 pages with the included black ink[2]. Select features directly and quickly using the 3.7cm colour LCD screen.

Save 400 over three years[1]

The economical EcoTank is fundamentally different to laser printers. It features a large refillable ink tank that you fill with the included ink bottles instead of toner. From the start you have enough ink to print thousands of pages, slashing costs and saving time as you're not frequently changing toner.

Low cost replacements

While refills are likely to be few and far between, you'll be able to save over 90% on the cost per page with replacement ink bottles[3].

Reliable

Giving peace of mind, every EcoTank mono printer comes with a one-year/100,000-page warranty.

Save time

Don't waste time changing supplies - with an ink tank system you can essentially fill it up and forget about it. Printing is fast with no warm-up time and speeds of 20ppm[4].

Save energy

Cut energy usage and reduce overheads with an EcoTank mono printer. It can save up to 95%[5] in power consumption compared to mono laser printers.

Efficient business features

Experience the PrecisionCore printhead that's renowned for its speed, quality, reliability and efficiency. Replace paper less often with the 250-sheet tray and save paper with automatic double-sided printing.

KEY FEATURES

- **Save 400 over three years[1]**
  Economical ink tank printer with lots of ink included
- **Reliable and durable**
  One-year or 100,000-page warranty
- **Reduce energy usage**
  Save up to 95% in power consumption[5]
- **Time saving**
  Wi-Fi, double-sided printing, 250-sheet tray, mobile printing
- **Fast, business-quality printing**
  20ppm print speeds[4], no warm up time, PrecisionCore printhead

EPSON®
EXCEED YOUR VISION

PRODUCT SPECIFICATIONS

TECHNOLOGY

Printing Method	PrecisionCore™ TFP print head
Minimum Droplet Size	2.8 pl
Ink Technology	Pigment ink
Printing Resolution	1,200 x 2,400 dpi
Nozzle Configuration	400 Nozzles black
Application	Home Office, Office Desktop, Office Workgroup
All-in-One Functions	Print, Scan, Copy

PRINT

Printing Speed ISO/IEC 24734	20 pages/min Monochrome
Maximum Printing Speed	39 pages/min Monochrome (plain paper)
Colours	Black
Duplex Printing Speed ISO/IEC 24734	9 A4 pages/min Monochrome

For detailed information on printing speeds please visit http://www.epson.eu/testing.

SCAN

Scanning Resolution	1,200 dpi x 2,400 dpi (Horizontal x Vertical)
Scanner type	Contact image sensor (CIS)

PAPER / MEDIA HANDLING

Number of paper trays	2
Paper Formats	A4, Legal
Duplex	Yes
Automatic Document Feeder	35 pages
Paper Tray Capacity	250 Sheets Standard
Media Handling	ADF 2-sided copy (A4, plain paper)

GENERAL

Energy Use	13 W (standalone copying, ISO/IEC 24712 pattern), 14 W (printing), TEC 0.2 kWh/week
Product dimensions	375 x 347 x 302 mm (Width x Depth x Height)
Product weight	6.2 kg
Noise Level	6.9 B (A) according to ISO 7779 pattern with Epson Premium Glossy Photo Paper / Photo RPM mode - 56 dB (A) according to ISO 9296
Compatible Operating Systems	Mac OS 10.10.x, Mac OS 10.7.x, Mac OS 10.8.x, Mac OS 10.9.x, Mac OS X 10.11.x, Mac OS X 10.12.x, Mac OS X 10.6.8, Windows 10, Windows 7, Windows 8, Windows 8.1, Windows Server 2003 R2 x64, Windows Server 2008 (32/64bit), Windows Server 2008 R2, Windows Server 2012 (64bit), Windows Server 2012 R2, Windows Server 2016, Windows Vista, Windows XP SP3, Windows XP Professional x64 Edition SP2

OTHER FEATURES

LCD screen	Type: Colour, Diagonal: 3.7 cm

OTHER

Warranty	12 months Carry in, 100,000 pages Optional warranty extension available

LOGISTICS INFORMATION

SKU	C11CH43401BY
EAN code	8715946663487
Country of Origin	Philippines

EcoTank mono ET-M2170

WHAT'S IN THE BOX

- Printer
- X2 ink bottles
- Warranty document

SUPPLIES

- 111 EcoTank Pigment black ink bottle
  C13T03M140 (6,000 pages)
- Maintenance Box (C13T04D100)

1. Savings achieved in 3 years by printing the same number of pages (400 pages per month for single function and 550 pages per month for multi function) using the ink bottles included with the EcoTank mono printers and including hardware price. Comparison of the RRP hardware price of the Epson ET-M1120, ET-M2170 and ET-M3170 models against the average top selling 75% of A4 monochrome laser printers (below 20ppm class) hardware price listed in IDC Worldwide Quarterly Hardcopy Peripherals Tracker 2018Q3 data for the 12 months ending September 2018 (including VAT at 21%). Printing costs calculated on the largest available yield toner in the Western European market using average selling prices listed in IDC EMEA Semiannual Consumables Tracker 2018H1 for the 12 months to June 2018. Toner yields as communicated by the manufacturers websites.
2. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test patterns provided in ISO/IEC 19752. Quote yields are NOT based on ISO/IEC 24711. Quote yields may vary depending on the images you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
3. Taking the RRP of the mono EcoTank replacement ink bottles and comparing printing costs calculated on the largest available yield toner divided by the average selling price in the Western European market listed in IDC EMEA Semiannual Consumables Tracker 2018H1 for the 12 months to June 2018 (including VAT at 21%). Toner yields as communicated by the manufacturers websites.
4. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.Epson.eu/.testing
5. Comparison of the power consumption while printing of the Epson ET-M1120, ET-M2170 and ET-M3170 models against the average top selling 75% of A4 monochrome laser printers (below 20ppm class) listed in IDC Worldwide Quarterly Hardcopy Peripherals Tracker 2018Q3 data for the 12 months ending September 2018. Power consumption values as communicated by the manufacturers websites.
6. Requires a wireless connection to the internet. For more information, supported languages and devices please visit www.epsonconnect.eu
