Description

The equip® 17"-32" Single Monitor Wall-Mounted Bracket with a gas spring structure is a versatile and space-efficient solution for displaying a single flat-panel monitor within the 17 to 32-inch range. Designed for wall mounting, this bracket combines sleek aesthetics with ergonomic functionality.

The gas spring mechanism enables effortless height adjustment, tilt, swivel, and rotation, allowing you to find the perfect viewing angle and positioning for optimal comfort and productivity. This bracket is particularly beneficial in freeing up valuable desk space and creating a clean, organized workspace.

Compatible with a range of monitor sizes, it suits various environments including offices, home workstations, or gaming setups. Its integrated cable management system helps keep cords tidy and out of sight. The gas spring structure ensures smooth adjustments while maintaining stability. The 17"-32" Single Monitor Wall-Mounted Bracket offers a practical and adjustable solution to elevate your monitor experience while enhancing your workspace aesthetics.
