HP Wireless Comfort Mouse Special Edition Pearl

HP Wireless Comfort Mouse Special Edition Pearl
Get great performance and advanced mousing with the HP Wireless Comfort Mouse specifically designed for women, which combines style and ergonomic features in a modern, affordably priced design

- **Designed for women**
  Designed specifically for women's hands and fingers, incorporating a symmetrical design, smooth-feel scroll wheel and smaller size, this mouse is sure to appeal to women thanks to a beautiful, high-quality metallic pearl paint
- **Optical performance**
  The high-precision sensor provides precise, smooth and responsive tracking. The Teflon feet give the mouse accuracy and progressive speed
- **Programmable buttons**
  Two easily accessible programmable buttons allow you to launch applications, control sound volume, navigate backwards and forward, zoom in and out and launch your favourite websites

- **Wireless freedom and energy efficiency**
  No wires to tangle or limit movement. The small receiver installs effortlessly and helps to eliminate clutter. The integrated on/off button allows you to conserve battery life
- **Advanced scroll wheel**
  A four-way tilt scroll wheel allows you to navigate right and left in addition to up and down. The smooth wheel and scrolling design has been optimised to provide both soft touch and speed
