

DO MORE WITH HP ACCESSORIES

HP Wireless Optical Mobile Mouse

Simply stylish

The HP Wireless Optical Mobile Mouse emphasises style, without compromising functionality and affordability

• **Wireless freedom**

Enjoy freedom of movement with this wireless mouse

• **High performance**

The 800-dpi sensor provides smooth tracking and maximum precision

• **Smart power saver**

The mouse goes into automatic standby mode after 1 second and sleep mode after 8 minutes. Any movement wakes the mouse instantly. A low battery indicator light alerts you when the battery needs replacement

• **Maximum comfort**

The curved shape fits snugly in your hand and the non-slip rubber sides add control and increase comfort

• **Improved control**

The scroll wheel with clickable button offers unmatched accuracy and enhanced control
