Data sheet

HP Color LaserJet Enterprise M751 Printer series

Count on productivity, premium quality, maximum uptime, and the strongest security,

HP LaserJet printers power office productivity with a smart, streamlined design that's reliable and hassle-free. Count on premium quality, maximum uptime, and the strongest security—all intended to drive successful organizations forward.

HP Color LaserJet Enterprise M751n

HP Color LaserJet Enterprise M751dn

Professional color printing

- Print premium, professional-quality documents with vivid color images and graphics.
- Special print mode for a wider color range, an extra level of vividness for documents and marketing materials
- Consistent professional quality and performance Original HP Toner cartridges and drums with JetIntelligence.
- Look professional on every page with vibrant, high-quality color prints that stand the test of time.

Minimal interruptions. Maximum productivity.

- Change the toner and drum in seconds. Both are easily accessible and come already installed out of the box.
- Avoid interruptions with an HP LaserJet printer designed for maximum productivity.
- Tailor this printer to meet the needs of your business with a wide range of paper-handling accessories.
- Grab pages and go, without waiting. This HP LaserJet wakes up quickly and prints fast—up to 41 ppm.²

The world's most secure printing¹

- Each printer in your fleet checks its operating code and repairs itself from attacks.
- Your printer's outgoing network connections are inspected to stop suspicious requests and thwart malware.
- Memory activity is monitored to continually detect and stop attacks
- Firmware is automatically checked during startup to determine if it's authentic code—digitally signed by HP.

Dynamic security enabled printer. Only intended to be used with cartridges using an HP original chip. Cartridges using a non-HP chip may not work, and those that work today may not work in the future. http://www.hp.com/go/learnaboutsupplies

HP Color LaserJet Enterprise M751n

Product walkaround

- 1. 250-sheet output bin
- Front door (access to JetIntelligence toner cartridges and imaging drums)
- 3. Automatic two-sided printing ¹
- 4. 550-sheet tray 2 supports media sizes up to 11 x 17 inches (A3)
- 5. 2nd generation Hardware Integration Pocket (for connecting accessory and third-party devices)²
- 6. 2.7-inch (6.9 cm) color graphic display with 24-key pad
- 7. Easy-access USB port ³
- 8. 100-sheet multipurpose tray 1 supports media sizes up to 12×18 inches (305 \times 457 mm) and SRA3
- 9. Right door (access to the print path)
- 10. Slot for cable-type security lock
- 11. 2 Hi-Speed USB 2.0 Host ports
- 12. Gigabit/Fast Ethernet 10/100/1000Base-TX network port
- 13. Hi-Speed USB 2.0 device port

¹ Automatic two-sided printing is not available on the HP Color Laser Jet Enterprise M751 model. ² Solutions deployed through the Hardware Integration Pocket (HIP) may require additional purchase. The HP Color Laser Jet Enterprise M751 series comes with a second generation HIP. ³ An administrator must enable the easy-access USB port before use. ⁴ Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ⁵ Selection of optional paper-handling accessories required to reach maximum input capacity. ⁶ Recommended Monthly Page Volume (RMPV): HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. ⁷ Average black and color composite (C/M/Y) declared yields based on ISO/IEC 19798 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details see hp.com/go/learnaboutsupplies ⁸ Both models can add wireless networking with selection of the optional HP Jetdirect 2900nw Print Server (18031A). If selected, you cannot also select the HP Jetdirect 3100w BLE/NFC/Wireless Accessory (3JN69A). Wireless performance is dependent on physical environment and distance from access point and may be limited during active VPN connections. ⁹ Bluetooth® and touch-to-print capabilities are optional for both models and can be added by selecting the optional HP Jetdirect 3100w BLE/NFC/Wireless Accessory (3JN69A). Mobile device must support Near-Field Communication (NFC)-enabled printing. For more information, see hp.com/go/businessmobileprinting.

HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. HP Care Pack Services provide a comprehensive suite of protection services designed to keep HP hardware and software up and running so employees can stay productive.

For carepack availability visit: hp.com/go/cpc

Top features

Expect premium marketing materials and professional-quality documents with vivid color images and graphics. Built for great color performance with an enhanced print mode and a toner formula designed for consistent quality and brilliant color output.

Annoying interruptions and complex maintenance can slow down printing and the pace of business. Avoid pauses in productivity with an HP LaserJet Printer designed for maximum uptime, so you can count on reliable results day in and day out.

HP printers have the industry's strongest security because they're always on guard, continually detecting and stopping threats while adapting to new ones. And only HP printers automatically self-heal from attacks, so IT doesn't need to intervene.

Security Management	Management security: SNMPv3, SSL/TLS, WPA2-Enterprise, 802.1X authentication (EAP- PEAP, EAP-TLS), IPP over TLS, IPsec/Firewall with Certificate, Pre-Shared Key Authentication, and Kerberos Authentication; Support for WJA-10 IPsec Configuration using IPsec Plug-in			

UD Color Lacor let Enterprise M7E1 dp (T2LIAAN)

Learn more at hp.com

¹ Standard cartridges included; yields 7,000 black and 6,000 color composite (C/M/Y) pages. Drums included; yields 65,000 black and color pages. ² Without paper trays extended. ³ With print cartridges. ⁴ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Power consumption values typically based on measurement of 115V device. ⁵ Based on the BA TEC method with the following possible exceptions: 1 minute or less sleep delay setting, Wi-Fi disabled. ⁵ Average black and color composite (C/M/Y) declared yields based on ISO/IEC 19798 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details see hp.com/go/learnaboutsupplies ² Acoustic values are subject to change. For current information see http://www.hp.com/support. Configuration tested: base model, simplex printing, A4 paper at an average of 41 ppm. ³ The Configuration Pages will report maximum memory at 2 GB after 1 GB DIMM installed. This is an expected behavior of this product. ⁵ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. ¹0 HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. ¹¹ Solution software available on 123.hp.com ¹² EPEAT® registered where applicable. EPEAT registration varies by country. See http://www.epeat.net for registration status by country. ¹³ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software appli
