

# HP E24mv G4 FHD Conferencing Monitor

## Present Your Best Self

Make a great impression on video calls on this 23.8-inch full HD conferencing monitor. The integrated, 5MP tilt-adjustable pop-up webcam displays a sharp, detailed picture – even in low light – and the built-in speakers and mic produce clear, life-like sound. Everything you need to present your best self on every call. <sup>1</sup>

\*Product image may differ from actual product

### Look Great. Sound Great.

- Say goodbye to blurry images or muffled sound on video calls. With speakers and a mic that produce full, rich sound and a 5MP webcam with 25 degrees of tilt adjustability for perfect angles, pop-up action for privacy, and improved Windows Hello support, you'll present your best on every call.

### Enhanced Viewing Comfort

- Much of our world operates on screens now, so working long hours in front of a monitor can be tiring and impactful to productivity. HP Eye Ease with TÜV Rheinland Hardware Low Blue Light Certification helps keep you comfortable throughout your day by reducing blue light without the yellow color shift.

### Endless Adjustability

- Work effortlessly with 4-way ergonomics that help keep your neck, shoulders, and back comfortable throughout the day. Customize tilt, height, swivel and pivot settings to fit you, your desk, and your needs, and you'll easily see the FHD monitor and 3-sided Micro-Edge 23.8-inch diagonal screen perfectly from virtually any viewing angle.

### Environmentally Aware. Responsibly Made.

- Choose a monitor that not only scores high for its functionalities, but also low for its environmental impact. Its plastics consist of over 80% recycled materials<sup>2</sup>, and its recyclable packaging is 100% sustainably sourced<sup>3</sup>. Additionally, this monitor is ENERGY STAR® certified and EPEAT® registered<sup>4</sup>.

### Featuring

- Packed with ports including HDMI, DisplayPort™, USB-B plus four USB ports.<sup>5</sup>
- Personalize brightness and color settings or set up security protocols all without the OSD. With HP Display Center installed, you have the control.<sup>6</sup>
- HP Display Manager makes remote management of the monitor easy. Simplify deployment, asset tracking, and remotely control monitor settings, like turning the power off.<sup>7</sup>
- Get peace of mind with a 3-year warranty.
