

IdeaPad Pro 5i (14", 16", 11)

The smarter choice for power.

Power meets precision in the IdeaPad Pro 5i, built for your hybrid life. Intel® Core™ Ultra processors handle work, creativity, and play with ease, while Copilot+ PC brings Recall, Cocreator, and Live Captions. A 2.8K OLED display draws you in, with a responsive keyboard and glass touchpad keeping you in control.

For those who refuse to choose

The IdeaPad Pro Series with Intel® Core™ Ultra processors is built for people who demand power without pause. AI acceleration and intelligent performance tuning handle heavy editing, revising, and multitasking effortlessly. Efficient thermals sustain smooth performance, whether you're finishing a class project or jumping into a quick game. Passions can be explored without slowdowns.

A display that performs

Bring every detail to life on the 2.8K OLED 16:10 display, where 1100 nits brightness and VESA Certified DisplayHDR™ True Black 1000 make images shine with depth and clarity. Colors stay true with 100% DCI-P3, while a 120 Hz refresh keeps motion fluid. TÜV Low Blue Light and Eyesafe let you watch, study, or create longer in comfort.

Productivity, refined

Built to keep pace with the most demanding days of your hybrid life. A responsive keyboard with 1.5 mm key travel and full-size arrow keys makes long sessions comfortable, while the smooth glass touchpad keeps navigation effortless. A dedicated Copilot key puts AI help at your fingertips, so you can stay productive anywhere.

Plug in, power up, create

Keep every tool within reach with pro-level connectivity. Thunderbolt™ ports speed up data transfer and charging, HDMI 2.1 12G drives high-resolution displays, and an SD card reader makes creative workflows seamless. With extra USB-A and audio ports, you can plug in, present, or create without dongles.

Copilot+ PC, built right in

Powered by Intel® Core™ Ultra processors, Copilot+ PC brings next-gen AI into your everyday. Recall helps you retrace steps to find files, sites, or chats instantly. Cocreator transforms text or sketches into images as you work, while Live Captions translates audio from 40+ languages in real time.

- Lenovo WL310 Bluetooth® Silent Mouse
- Lenovo E310 TWS Earbuds
- Backpack B210

¹ All battery life claims are approximate to the half hour and based on two methods of testing: MobileMark® 2030 battery life benchmark @ 250 nits brightness and continuous 1080p video playback @ 150 nits brightness on the latest update of Windows 11. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use. Rapid Charge is only available on the 60Whr version battery.

² Height is calculated using T2 measurements and should be considered 'as thin as'.

³ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, may be slower than a speed of 10Gbit/s.

LENOVO SERVICES

Lenovo Premium Care Plus

Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo CO₂ Offset Services*

Offset the carbon emissions of your PC with Lenovo CO₂ Offset Services – an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.
