

IDEAPAD Flex 5i (14" | 16")

The smarter choice for versatility.

Find your smart groove in any scenario with the endlessly adaptable IdeaPad Flex 5i, with a 360-degree drop-down hinge that offers more ergonomic typing by lifting up the keyboard for a better angle, as well near-limitless Intel® Evo™ performance with up to 13th Gen Intel® Core™ i7 processors enhanced by the Lenovo AI Engine. Enjoy immersive entertainment with an up-to-2.5K or WUXGA OLED TÜV-certified display with a taller 16:10 90% AAR screen. Increase your efficiency by connecting up to two 4K displays via the ultra-fast cable connectivity of Thunderbolt™ 4.0.

Why you should buy Lenovo IdeaPad Flex 5i (14" | 16")

Feel exhilarated by limitless performance

Built on the Intel® Evo™ platform, now featuring up to 13th Gen Intel® Core™ i7 processors that extend beyond performance to let your PC do even more at once. Open up multiple tabs while you video chat and video edit. Your rig handles anything you throw at it while keeping cool and silent under heavy loads with the optimization of Smart Power, which switches between Quiet, Balance, and Performance according to your needs.

Adapts to anything Wand everything

Enjoy 360 degrees of freedom to work, read, play, and share with IdeaPad Flex 5i's convertible chassis, rotating into the tent or stand mode for entertainment and presentations or tablet mode for on-the-go use. The durability-tested drop-down hinge gently lifts the keyboard to cover the bottom display bezel for a more ergonomic typing experience while increasing the screen-to-body ratio. Coming in Arctic Grey, Abyss Blue, and Stone Blue (14" only), the ultrathin and light body thins out to 17.4 mm while weighing a mere 1.5 kg.

Add new life to your entertainment

Breathe new life and luster into your digital content and entertainment with the sharp contrast and piercing clarity of up-to-WUXGA OLED displays that permeate the screen with the photorealistic color space of 100% DCI-P3, while your field of visual perception is made more expansive with the 16:10 screen, four-sided narrow bezels and drop-down hinge to cover the bottom bezel, yielding a greater-than-90% screen-to-body ratio. Watch anywhere with 400 nits brightness and TÜV certification to reduce eye strain.

Charge fast, connect smart, create more

Enter the new era of the PC with better, faster, and smarter capabilities such as a rapid-charge boost to give you two hours of battery life on just a 15-minute charge, as well as a secure and seamless login via a fingerprint sensor. Connect to up to two 4K monitors at once with universal cable connectivity via Thunderbolt™ 4.0, which offers a compatible dock and faster data transferring. And write or sketch only our laptop with the optional Lenovo Digital Pen.

With Lenovo
AI Engine

¹ 14" only | ² All battery life claims are approximate and based on two methods of testing: MobileMark® 2018 battery life benchmark and continuous 1080p video playback on the latest update of Windows 11 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use. | ³ 14" Evo™ version only. | ⁴ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

LENOVO SERVICES

Lenovo Premium Care Plus

Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo CO₂ Offset Services*

Offset the carbon emissions of your PC with Lenovo CO₂ Offset Services - an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.
