

IdeaPad Slim 3i (14", 15", 16", 11)

The smarter choice for mobility.

Built to move seamlessly with you, this lightweight laptop slips easily into your bag but delivers serious performance. Up to Intel® Core™ Ultra 7 Series 3 processor for Copilot+ PCs support your flow, while a vivid WUXGA OLED display and long-lasting battery with Rapid Charge keep you sharp, creative, and connected wherever you go.

For those who refuse to choose

Intel® Core™ Ultra 7 Series 3 processor for Copilot+ PCs give the IdeaPad Slim Series desktop-class performance in a thin, light chassis made for life on the move. Stay fast and efficient even unplugged with adaptive AI and Intel® graphics. From surfing to streaming, enjoy smooth power and long battery life. No tradeoffs. No workarounds. Just portable performance that travels wherever inspiration strikes.

Sharper views, smarter comfort

See more and scroll less on a taller 16:10 display that brings everyday content into sharper focus. With up to WUXGA OLED and VESA Certified DisplayHDR™ True Black 500, details look crisp and colors more lifelike, whether you're working, streaming, or studying. TÜV low blue light keeps your eyes comfortable. Dive in deeper and stay immersed longer.

Ready in minutes, lasting for hours

Stay powered through work, classes, and downtime with a battery designed for real life. Whether you're on back-to-back calls or streaming after hours, it keeps pace without constant charging. And when you do need a boost, Rapid Charge Boost delivers up to 2 hours of extra power in just 15 minutes, so you're always ready to keep moving.

Expand what you can do

Grow and connect without limits. With up to 40 GB DDR5 memory and up to 1 TB SSD storage, you can expand to handle more projects, bigger libraries, and heavier multitasking. Two USB-A ports, a USB-C for data and charging, and an SD card reader keep all your devices and files connected without compromise.

Power meets Copilot+ PC intelligence

Tap into smarter performance with up to Intel® Core™ Ultra 7 Series 3 processor built for AI. Copilot+ PC features bring recall, co-creation, real-time translation, and captions right into your flow. Combined with Lenovo AI optimizations, every task—from studying and browsing to editing and sharing—feels more intuitive, responsive, and efficient.

LENOVO SERVICES

Lenovo Premium Care Plus

Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo CO₂ Offset Services⁴

Offset the carbon emissions of your PC with Lenovo CO₂ Offset Services – an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.

¹ 32 GB is currently on IWC variant only, IPH is TR.

² 256 GB is on TLC only.

³ All battery life claims are approximate to the half hour and based on two methods of testing: MobileMark[®] 2030 battery life benchmark @ 250 nits brightness and continuous 1080p video playback @ 150 nits brightness on the latest update of Windows 11. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use. Rapid Charge is only available on the 60Whr version battery.

⁴ Height is calculated using T2 & T4 measurements and should be considered 'as thin as'.

⁵ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, may be slower than a speed of 10Gbit/s.
