

LENOVO DEVICES THAT ARE A
CLASS APART

The Lenovo V Series provides security, data protection and productivity features in an affordable package.

Lenovo V15 G3 ABA

Smarter
technology
for all

Lenovo

Stay productive from anywhere with this 15.6" basic notebook. Equipped with the latest AMD Ryzen processors with AMD Radeon graphics and up to 1.5 TB storage, it renders a seamless content creation and editing experience. With a battery up to 10 hours, work an entire day outdoors without needing a power outlet nearby. Work for long hours without straining your eyes in an FHD anti-glare display.

REASONS TO BUY

Configure with both a HDD drive and ultra-fast M.2 SSD storage for improved system responsiveness and faster retrieval of project files, technical drawings or large spreadsheets. Onboard connectors include 3x USB ports for connection to a USB dock, printer or external storage device.

Comprehensive security solutions for protecting data and device include firmware TPM 2.0 for data encryption and Kensington security slot for physically locking the device. Web camera shutter helps protect user privacy during calls or meetings.

We've enhanced the design of this affordable notebook, using the latest textured materials, a slimmer design and narrower frame around the screen that's reduced by one third compared with the previous generation.
