

ideapad 330S

S L E E K E F F I C I E N C Y

Meet the Lenovo™ IdeaPad™ 330S. Thinner & lighter with narrow bezels for broader viewing, it boasts state-of-the-art processing and accelerated graphics performance. Power through any task with ease.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD 330S

Simple, sleek and premium

Featuring a streamlined chassis with a polished aluminum cover, the IdeaPad 330S is designed to make an impression. Choose from a range of sophisticated colors to make it yours.

Amp up your productivity

The latest generation of Intel® Core™ i7 processing offers up to a 40% improvement in performance¹, with unprecedented gaming capabilities, theater-like entertainment, faster boot-ups and seamless multitasking.

Lenovo™

Life-like clarity

Featuring Dolby Audio™ and up to FHD resolution on a wide-angle display edged with razor-thin bezels, the IdeaPad 330S offers the dynamic experience of a portable home theater.

Smooth, efficient performance

Upgrade with a NVIDIA® GeForce® GTX 1050² discrete graphics card, powered by NVIDIA® Pascal™ with up to 3X the performance of previous generations. Also offering AMD Radeon™ 535 and 540.

¹ Software and workloads used in performance tests may have been optimized for performance only on Intel® microprocessors. Performance tests are measured using specific computer systems, components, software, operations and functions. Any change to any of those factors may cause the results to vary.

² 15" model only.

¹ Not on Pentium® model.

² 15" model only.

³ 12 GB DDR4 memory is only on 8th generation models.

⁴ Optional and only on some configurations.

⁵ Optional.

⁶ All battery life claims are approximate and based on test results using the MobileMark® 2014 ver 1.5 battery life benchmark test. Actual results will vary, and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapccom/products/mobilemark-2014/> for additional details.

LENOVO SERVICES

Warranty Upgrades - On-site/ In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
