

ideapad L340 (15" & 17")

MORE BANG FOR YOUR BUCK.

With stunning audio, performance, and visuals, the Lenovo™ **IdeaPad™** L340 is impressive from the get-go. It also has an eye-care mode, physical webcam shutter, and rapid recharging technology—all as standard. Whether it's for work, school, home, or on-the-go, this 15"/17" laptop will always have your back.

PERFORMANCE ON-THE-GO

Get a laptop that keeps up with you. Built with cutting-edge tech, a PC powered by 2nd Generation AMD Ryzen™ Mobile Processors with Radeon™ Vega Graphics brings a new level of performance on-the-go.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD L340

Sound you can feel

Built into every **IdeaPad** L340 is advanced Dolby Audio™ technology. The result? Rich, clear, and powerful sound for everything from movies to podcasts, and music to games. Wherever you go, you can now enjoy truly immersive audio.

Your online privacy matters

The **IdeaPad** L340's HD webcam makes video chats and conference calls a breeze. It also has TrueBlock Privacy Shutter, a switch for you to physically close your webcam to help keep your personal life private.

Protecting what matters most

Whether it's for work, entertainment or homework, too many hours in front of a PC screen can be bad for your eyes. With Lenovo Vantage's Eye Care Mode, you can reduce blue light emission, minimizing the potential of eye strain.

Stay mobile for longer

The **IdeaPad** L340 gives you up to 8.5 hours of on-the-go computing, more than enough for your daily commute or binge watching of your favorite TV show. And with RapidCharge technology, you can recharge the battery from 0 to 80% in under an hour and back to 100% in less than two hours.

¹ Products also available in U chipsets.

² Single, dual and triple storage options vary depending on the product.

³ All battery life claims are approximate and based on test results using the MobileMark® 2014 ver 1.5 battery life benchmark test. Actual results will vary, and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapccom/products/mobilemark-2014/for-additional-details>.

⁴ For NA only.

⁵ L340-17API only.

⁶ Disabled AC for Russia/Ukraine/Indonesia/Egypt.

⁷ The actual transfer speed of the USB 3.1 Gen 1 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 5 Gbit/s.

⁸ PRC only.

⁹ Worldwide (WW).

¹⁰ ROW Only.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
