THE LENOVO® THINKPAD® E535 NOTEBOOK

SUPERIOR PERFORMANCE AMD® PROCESSORS WITH INTEGRATED GRAPHICS, USB 3.0, AND FASTER MEMORY

Simplified for business, the Lenovo® ThinkPad® Edge E535 notebook is built with style for growing businesses. The notebook is designed to maximize productivity using industry-leading features tailored to your business need, reducing dependability on dedicated IT staff.

Experience enhanced performance with a choice of processors and productivity. Progressive design and top cover in multiple colors offer a sophisticated level of personalization for your business. Experience outstanding VOIP functionality with a low-light sensitive web camera and unique noise suppression technology that eliminates keyboard noise during video or voice chat. In addition, the notebook is light weight and thin, making your frequent travels more comfortable.

Whether you are looking for moderate price, performance, productivity, durability, or stylishness, ThinkPad® Edge E535 is the right choice.
