

THE LENOVO® THINKPAD® L430/L530 LAPTOP

**EXTREMELY RELIABLE, BUSINESS-CLASS PERFORMANCE,
REAL VALUE, AND ENHANCED EXPERIENCE.**

Introducing the all new ThinkPad® L430/530 laptop with valued features and reliability in a thinner, more modern ThinkPad® design. Designed for durability, the laptop passes ThinkPad torture tests and is MIL-SPEC certified. These tests keep you worry-free while working in high or low temperature, humidity, or dusty conditions. The dependable ThinkPad design is further supported by a wide variety of Lenovo warranty upgrades and damage protection.

ThinkPad® L430/530 offers best value for performance with latest 3rd generation Intel® Core™ processors. Gain up to 100% graphics performance improvement from the integrated Intel® HD graphics. Improved battery life alongside graphics performance using NVIDIA Optimus technology, NVS 5400M 1GB card.

The uncompromised performance is enhanced by Lenovo RapidBoot – boots the system 40% fast; Quick Connect – connects WiFi or WWAN in less than five seconds from wake; Instant Resume. – resumes the notebook from hibernate 3.7 times faster. Perform tasks with minimal effort and work with seamless comfort all day on a 9-cell battery.

The HD+ display for better viewing, face tracking camera, and Dolby® Sound deliver superior communications experience. The notebook is more manageable to use with the rear Ethernet and power ports and aligned ports. The new precision keyboard has improved ergonomic design for typing comfort and accuracy – known as the best in the industry.

LENOVO ENHANCED EXPERIENCE 3 FOR WINDOWS® 7. FASTER AND OPTIMIZED FOR BUSINESS.

Fast and optimized for multimedia: Lenovo Enhanced Experience 3 for Windows® 7 uses RapidBoot technology to start your PC 40% faster than a typical Windows® 7 computer*. And BootShield maintains fast boot performance even after installing multiple applications. Plus, you can enjoy richer sound and HD webcams. Find out more at www.lenovo.com/win7ee

*Available on certified models with Intel® Core™ i3, i5 or i7 processors. Claim is calculated by taking the average of Lenovo EE3 notebooks and desktops, and compares it with averaged data from 49 competitor products of similar configuration (Intel® Core™ i3, i5 and i7 PCs only). Testing conducted by CNET Labs, Beijing in December 2011, using the independent VTS tool to measure start-up time and other performance measurements. Performance will vary by model and configuration.

PERFORMANCE TO SUCCEED

- Fast performance, smart multitasking 3rd generation Intel® Core™ standard voltage processors
- Better Performance with Genuine Windows® 7 Professional
- Up to 100% graphics performance improvement with Intel® HD next-generation integrated graphics
- NVIDIA® NVS 5400M with Optimus™ technology (AVAILABLE ONLY ON L430) and 1GB VRAM for vibrant graphics performance and longer battery life
- Long battery life allows you to work with complete peace of mind all day

IMPROVED MEDIA AND COMMUNICATION

- Wide 14" and 15" HD and HD+ displays for clear viewing and brighter visuals
- 720p HD camera with face tracking for high-definition and smoother video collaboration
- Dolby® Advanced Audio™ 2.0 for vibrant surround sound and exceptional audio quality
- Digital microphone with new Conference and Private Internet microphone call settings for outstanding web conferences

LENOVO ENHANCED EXPERIENCE 3 FOR WINDOWS® 7.

Optimizes data security with robust features like:

- Self-encrypting drives that protect data on the hard disk drives in case of loss or theft
- Built-in Fingerprint reader to log into Windows and fingerprint-enables applications like Password Manager.
- BIOS Port Lock to disable all input and output ports remotely without any additional hardware
- USB Blocker² to identify and block different types of USB devices connected to the system

Provides superior web conferencing with:

- Keystroke noise suppression, high-quality webcam, and superior digital microphone

REFRESHING EXPERIENCE

- Thin and light design for mobility and tested thoroughly for reliability
- Cool and quiet thermal design with dual vents to work in complete serenity
- Lenovo RapidBoot, Fast Connect, and Fast Resume to improve productivity
- New precision keyboard with improved ergonomic design for enriched typing comfort and accuracy

ECO-FRIENDLY

- Power manager helps regulate power usage and extend battery life
- EPEAT® Gold certified for higher environmental values
- ULE certified to mark energy efficiency standards and regulations
- Low-halogen material
- 100% Recyclable packaging for environmental safety

LENOVO SERVICE

Lenovo offers a comprehensive portfolio of award-winning services to support and protect your ThinkPad investment. Succeed with substance, and let Lenovo's Service support you all the way.

Priority Technical Support¹

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

Warranty Upgrades - Onsite and Next Business Day

Maximizes PC uptime and productivity by providing convenient, fast repair service at your place of business

Warranty Extensions (1 to 5 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.

Keep Your Drive

Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure

Asset Tagging

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.

¹Not available in all regions

RECOMMENDED SERVICES

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.
