

Sometimes small jewels  
are expensive.

Sometimes they're not.

# Lexmark **E120**

Remarkably affordable  
desktop laser printing!

## Professional performance

The Lexmark E120 can reach up to 19 ppm with a rapid time to first page, and offers a smooth, reliable paper feed to keep your workflow moving.

## Great quality value

With a very attractive design and price, it brings affordable, high-quality laser printing to budget-sensitive desktop users.

## Compact and quiet

It's also the smallest and quietest printer in the entire Lexmark family, at only 49dBA while printing, and an exceptionally low 26dBA in idle mode.

Up to 19 ppm

High Print Quality

Quiet and small

We make printing easy

**LEXMARK**<sup>TM</sup>

# Lexmark E120

## Your desktop will thank you!

The smallest, quietest and most affordable laser printer Lexmark has ever made, the Lexmark E120 brings small and home offices professional laser print quality at an outstanding price.

### When you're in a hurry

The meeting's about to start and you still haven't printed out the reports? No problem! In addition to its reliable paper feed, the Lexmark E120 delivers rapid print speeds of up to 19 ppm, plus a very quick time to first page. So you get your documents in your hands faster!

### Black and beautiful

Sure, the printer's designed to look great on your desk. But it's also designed to give you great-looking text. Enhance all your business documents with crisp, professional-looking 1200 Image Quality output. The E120 offers exceptionally high quality for such an affordable price.

### Low profile, low noise

No need to shout over the printer when you're on an important phone call. Ultra quiet in both idle and printing modes, the E120 is ideal for calm, peaceful work environments. What's more, it's small enough to fit well in even the tiniest workstations.
