

Sometimes your desktop
is out of control.

Sometimes it's not.

Lexmark X340

Low cost, full functionality –
right on your desktop!

More productivity

Use the 50-page Automatic Document Feeder to fax, scan and copy documents with ease – and zip through print runs as fast as 25 ppm!

Up to 25 ppm

Desktop user

Simplify your daily tasks

More simplicity

Send faxes in just seconds thanks to the multiple speed-dial shortcuts, and simplify maintenance tasks with the intuitive 2-line backlit display.

More scanning capabilities

Scan colour documents directly to various PC applications and file types, including Word, PowerPoint, PDF and even editable text formats.

We make printing easy

LEXMARKTM

Lexmark X340 MFP

Don't get up! Now you can do it all from your desk.

Affordable and very easy to use, the Lexmark X340 is the ideal solution for budget-sensitive desktop users that demand high-speed mono laser printing, copying, faxing and colour scanning – all in a single, space-saving device.

Faxing, as easy as 1, 2, 3

Three seconds or less! That's how fast the Lexmark X340 can transmit a fax, thanks to its high-speed 33.6Kbps modem. Just load a stack of originals into the 50-sheet Automatic Document Feeder, press one of the 10 speed-dial buttons, and let the X340 go to work for you!

Multitalented colour scanning

With its wide flatbed scanner and adjustable lid, the Lexmark X340 is perfect for scanning bound materials, like open books and reports. Use the included software to digitise hardcopy text into editable form, and import colour images into a wide range of applications and file formats.
