FEATURE AT A GLANCE

Mini Full-size

Extra-small shape

Ultra-portable design fits easily in your purse, handbag or jeans pocket—so your mouse is always within easy reach wherever you use your laptop.

Tiny nano wireless receiver

So small it can stay in your laptop's USB port or store inside the mouse—without worry of losing or breaking it.

Long-range wireless freedom

Logitech Advanced 2.4 GHz wireless with up to 10 meters (33 ft.) wireless range—use your mouse on the couch with your laptop, even if it's across the room connected to your TV.

Logitech reliability

You get the high quality and reliability that have made Logitech the global leader in mice—plus a three-year limited warranty.
