FEATURES

Less Blue Light

Effectively reduce blue light which could cause serious long-term damage to your eyes.

Anti-Flicker technology

MSI Anti-Flicker technology provides a very comfortable viewing experience by reducing the amount of screen flicker.
Silent PRO Colling

3 independent chambers with exclusive thermal module provide the best solution while rendering, editing and multitasking

Easy to upgrade

Easy to access and upgrade components to keep the system up to date with the latest hardware.
Instant Display

When devices are connected to the HDMI-in port, the monitor will be turn on immediately without booting up the system.

VESA Mountable

To be mounted on the wall of your office & home with a VESA standard design which can make it completely invisible on a desk.
