## FEATURES

### Compact Size

The same performance as a big rig but in a powerful small-sized chassis so you can take it anywhere.

### TPM Support

FW TPM design secures your confidential data with encryption keys.

### Dual Display Support

Help to focus on your multitasking and make daily tasks more efficient.

### WiFi 6

The latest wireless solution supports MU-MIMO and BSS color technology, delivering speeds up to 2400Mbps.

### MSI Center

The MSI Center takes optimization to the next level with easily adjustable system modes and resources for a wide range of scenarios and needs.

### Easy to upgrade

Easy to access and upgrade components to keep the system up to date with the latest hardware.

### VESA Mountable

To be mounted on the wall of your office & home with a VESA standard design which can make it completely invisible on a desk.
