

# Modbus Card

PN: UPAC-MBUSCRD-AZ01B  
EAN: 6422956013882

## Specifications

|                        |                                        |
|------------------------|----------------------------------------|
| Type                   | Modbus Card                            |
| Network support        | RJ-485 through isolated RJ45 port      |
| Protocol support       | RTU Protocol                           |
| Baud Rate              | 2400 bps/4800, bps/9600, bps/19200 bps |
| Surge protection       | Yes                                    |
| Power Input            | 12 V                                   |
| Operating Temperature  | 0-40° C                                |
| Operating Humidity     | 0-95%                                  |
| <b>Physical</b>        |                                        |
| Product dimension      | 80 x 43 x 15 mm                        |
| Product weight         | 0.05 g                                 |
| Retail pack dimensions | 170 x 135 x 42 mm                      |
| Retail pack weight     | 0.12 kg                                |

- Real-time control and monitoring of multiple units via RS-485 communication port
- Supports Modbus RTU protocol
- Provide MODBUS functions including read Holding Registers and write Registers
- Provide surge protection

## Logistics

|  |                          |                              |
|--|--------------------------|------------------------------|
|  | Carton Box Size (LxWxH)  | 535 x 350 x 290 mm           |
|  | Pieces in the Carton Box | 48                           |
|  | Net & Gross weight / CTN | N.W.: 2.4 kg / G.W.: 5.76 kg |
