PHILIPS
AVENT

Highlights

4 extra large air holes

Ultra air is designed to allow maximum air flow, so your baby's sensitive skin can breathe.

Comfortable, rounded edges

The ultra air shield is lightweight and features rounded edges for your baby's comfort.

Silky textured nipple

This pacifier's silky, textured silicone nipple soothes and comforts your little one.

Skin stays drier

Your little one's sensitive skin stays drier while soothing, thanks to this pacifier's breathable design with maximum air flow.

Nipple acceptance

Babies know what they like! We asked moms how their little ones respond to our textured silicone nipples and on average 98% said that their baby accepts the Philips Avent ultra soft and ultra air pacifiers.

Orthodontic nipple

Our collapsible silicone nipple has a symmetrical shape that respects your baby's palate, teeth and gums as they grow.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.
