- True Full HD 1080p resolution

Remarkably compact

- Quality stereo speakers

Highlights

Advanced LED Light Source

The powerful LED light source displays rich, vivid colors and will last up to 30,000 hours. You won't need to replace it since it lasts 20 years with an average usage of 4 hours per day! Additionally, the power consumption is far lower than a regular lamp based projector, which means you benefit from a bigger screen and fully immersive experience, all through an eco friendly device!

Customize your projection

Place the product where ever you want! The keystone correction combined with the focus technology allow you to fine-tune images to your needs and place your projector at any distance.

Quality stereo speakers

Built-in Hi-Fi stereo speakers with equalizer and surround sound.

True Full HD 1080p resolution

Get a captivating experience in True Full HD 1080p! Pictures and colors remain lifelike with outstanding full high definition sharpness for text.

Built-in Media Player

Pop your essentials in your hand with the integrated Media Player. Browse, watch all your videos, listen to your music or share your latest holidays pictures.

Fully Connected

Connect any multimedia devices such as set top boxes, PC, MAC, gaming consoles, and streaming devices like Fire Stick or Apple TV with the USB, HDMI or MicroSD ports.
