- Semi-auto sliding paper tray
- Print speeds up to 17 ppm, up to 1200 x 600 dpi effective output

SAMSUNG

imagine a printer that's small, sleek and silent. That was the idea behind the Samsung ML-1630 personal laser printer. It's small. In fact, it's the smallest laser printer in the world. It's sleek, with a rich piano black finish, buttonless soft-touch controls and blue LED indicators. And it's silent. At just 45 dBA, it's the quietest laser printer in the world. But it's more than just a pretty interface. The ML-1630 is ready to work. Fast 17 ppm printing. First page out in 15 seconds from Sleep. And more. Look good while you work. With the ML-1630 personal laser printer, it's not hard to imagine.

ML-1630

Ultra-Compact Personal Laser Printer

Features

Slim, Sleek and Silent
It's the smallest laser printer in the world. It's housed in a rich, glossy, piano black finish. And at just 45 dB (normal conversation is 50 dB), it's the quietest laser printer in the world.

Easy Jam Clearing
Simple design means simple operation. The ML-1630 is designed to make clearing jams easy.

Melodic Alert Tones
Soft, melodic tones alert users to low toner and low paper.

User-Friendly Interface
Buttonless soft-touch sensor panels with blue LED indicators enhance the sleek, sophisticated design.

More Than Just a Pretty Interface
It looks good, but it's also ready to work. Fast 17 ppm print speeds, a fast first page out and 1200 x 600 are the proof.
