

CHARGERS

HOME CHARGER SBOX HC-21

DESCRIPTION

Power up your devices at home with the SBOX HC-21 Home Charger. Featuring a USB 2.0 interface, it's a versatile charging solution. With an AC input range of 100-240V, it provides dual outputs of DC 5V - 1A and DC 5V - 2.1A, ensuring efficient charging. The white charger is constructed from durable ABS/PC fireproof material, combining safety and style.
