WIRELESS MOUSE SBOX VM-065W Vertical

DESCRIPTION

Enhance your computing lifestyle with the SBOX VM-065W Vertical Wireless Mouse. Enjoy the freedom of wireless RF 2.4GHz connectivity and precise optical sensor technology, offering 1600 DPI resolution. With a 3-million-click lifetime, this mouse is designed to last. The ergonomic vertical design ensures comfort during extended use. The sleek black mouse is crafted from ABS plastic with a rubber coating for a smooth feel. It connects via USB 2.0, and with its compact dimensions of 120x63x75mm and a weight of only 89g, it's perfect for on-the-go productivity. Compatible with Windows 7/8/10, Mac OS, and Chrome OS, this mouse offers versatile usability. Please note that 2 AAA batteries are required (not included).
