WIRELESS MOUSE SBOX WM-911 Blue

DESCRIPTION

Introducing the SBOX WM-911 wireless slim mouse, a 6D marvel with an optical sensor, offering adjustable DPI (800/1200/1600) and a lifetime of 3 million clicks. Crafted from high-quality plastic with a rubber finish for comfort and style. This plug-and-play mouse is compatible with Windows 7/8/10 and MacOS, offering a 10-meter wireless range at 2.4 GHz. It's powered by a single included AA battery, making it your ideal on-the-go companion.
