Everyday Life In Full-HD

Your memories are invaluable, so entrust them with a reliable card. With a Class 10 performance rating, the Elite microSDHC/SDXC UHS-I card enables uninterrupted recording of Full-HD 1080p video. Additionally, a Video Speed Class 10 (V10) rating allows a recording minimum of 10MB of video per second. That makes it the perfect card for recording memories on your everyday mobile devices in high quality, effortlessly.

Enough Capacity For All Of Your Needs

Whether you're looking to store data on your digital camera, smartphone, drone, portable game console, tablet, or another device, the Elite microSDHC/SDXC UHS-I card can fulfill all of your needs. With up to 512GB storage capacity, it can store up to 39,400 songs, 75,200 photos, or 39 hours of Full-HD video. That's a whole lot of data.

Memory Card

Elite microSDHC/SDXC UHS-I

Features

- Meets the UHS-I U1 and the Video Speed Class 10 (V10) standards for Full-HD 1080p video recording
- Captures high-quality images and extended lengths of stunning Full-HD 1080p videos
- Meets the new A1 standards for app performance, delivering minimum random read of 1,500 IOPS and random write of 500 IOPS, as well as sustained sequential speeds of at least 10 MB/s
- Read speeds up to 100 MB/s*
