Warranty
Because your satisfaction is paramount to us, each product manufactured bears a unique identification number! This serial number will soon allow you to register your product online and to take advantage of exclusive offers. You will be asked to provide your receipt for any requests made to the customer sales department. Do not remove the sticker from the product. Do not damage the product or its accessories, or the power cable. You could electrocute yourself or expose yourself to other hazards. Any signs of attempts to open and/or alter this device, including removing or tearing a sticker, will void the warranty.

FR

Garantie
Pour que votre satisfaction est au cœur de nos préoccupations, chaque produit fabriqué comporte un numéro d'identification unique. Ce numéro de série vous permettra d'enregistrer prochainement votre produit en ligne et de bénéficier d'avantages exclusifs. Il vous sera demandé d'envoyer une copie de votre facture lors d'une demande à la vente au détail. Ne retirez pas l'étiquette de ce produit. Ne tentez pas de démonter, d'ouvrir, de réparer ou de modifier le produit, les accessoires ou le câble d'alimentation. Vous risqueriez de vous électrocuter ou d'exposer à d'autres dangers. Tout signe de tentative d'ouverture et/ou de modification du produit annulera automatiquement tout déclenchement, toute performance ou tout retrait d'une étiquette, annulera la Garantie.

Recycling

The simplest way to protect our environment is to recycle! Become an eco-responsible and eco-conscious. This selfless recycling enables the protection of nature, all resources and prevents any harm to the environment. Please be aware that the environment may result from the inappropriate disposal due to the presence of dangerous materials contained in the batteries or electrical and electronic equipment. To obtain more detailed information on the collection points for batteries and electrical and electronic equipment, contact your local authority/town council/household waste collection service or the shop where you purchased this product.

CE Legal information and compliance: SpiritofGamer declares that this device complies with the essential requirements and other provisions covered by the European directives applicable to the product

WEEE Environmental protection: WEEE (Waste Electrical and Electronic Equipment). Place this device in a recycling center: Thank you!

The Möbius strip: You have already seen this logo marked on our packaging. But what does it mean exactly? It means that the product and its packaging are recyclable. The simplest way to protect our environment is to recycle! Become an eco-responsible and eco-conscious with SpiritofGamer;

RoHS The RoHS (Restrictions of Hazardous Substances) is a European ecological directive restricting the use of substances that are harmful to the environment in all electronic products. This directive applies to all electronic and electrical equipment using an electrical or electromagnetic field.
