

Ceiling lamp

VENIDA – R62783187

incl. 1x SMD LED, 25W · 1x 3000lm, 3000K

- Dimmable via switch
- Not suitable for external dimmer
- Wall- & ceiling mounting
- Memory function
- IP20

VENIDA impresses with its modern and unusual design. The ceiling light rounds off any modern furnishing style and sets the perfect scene in your living area. The integrated SWITCH dimmer allows you to choose between three different brightness levels using a conventional light switch. By graduating the light intensity from 100% to 50% and 25%, the light can be used to create different lighting moods. Thanks to the titanium colour scheme, the light can be combined with many furnishing styles. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Metal · Titan

Product dimensions

Width: 50cm
Height: 7cm
Depth: 30cm
Weight: 1kg

Technical data

Light source: SMD – LED (integrated)
Watt: 25W
Lumen: 1x 3000lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 25000H
Switching cycles: 15000x ON/OFF
