

GORILLA PRO Black - Wireless

PREMIUM
live

DESCRIPTION

Experience ultimate freedom with the White Shark Gorilla Pro wireless gaming headset, designed for long-lasting comfort and performance. With 53mm drivers delivering immersive sound and a detachable omnidirectional microphone, this lightweight headset at just 217g is perfect for extended gaming sessions. Offering 30 hours of wireless playtime, it's compatible with PC, PS4/5, and Mac, making it a versatile choice for any gamer. Built with durable aluminum, eco leather, and an easy-access volume control, the Gorilla Pro balances style and functionality effortlessly.

KEY FEATURES

- Experience durability and style with a headset crafted from premium materials including aluminum, plastic, and eco-leather. This combination ensures not only a sleek, modern look but also exceptional build quality for long-lasting comfort and reliability. It's made to endure.
- Take charge of your audio experience with intuitive on-headset controls. Easily power on/off, mute or activate your mic, switch modes to match your environment, and adjust volume to your liking. Perfect for seamless transitions, whether you're gaming, working, or on the go.
- Enjoy crystal-clear communication with a detachable microphone. Offering sensitivity at -38 ± 2 dB to capture even subtle tones. The microphone's impedance of $\leq 2200 \Omega$ ensures stable and consistent sound quality, making it ideal for gaming or remote meetings. This microphone enhances your voice experience every time.

SPECIFICATIONS
