

**Less defrosting, less work**

With the Series 40 Low Frost fridge-freezer you won't have to defrost as often. So, less frost means less work for you, and an easier to maintain fridge.

More room in your OptiSpace fridge-freezer. The spacious interior makes storing all your favourite foods and ingredients easy. And for larger or taller items, like cakes or bottles, shelves and drawers can be removed.

Product Benefits & Features**LowFrost, for less defrosting**

The LowFrost function means you won't have to defrost your freezer as often. So it's easier than ever to maintain its performance.

- Fridge capacity (gross): 91 litres
- Freezer capacity (gross): 29 litres

Peace of mind with five-year warranty

This compressor's five-year warranty covers labour, transportation, gas removal and refilling, accessories, general maintenance, and any service costs that may be incurred. So you can relax, safe in the knowledge that we will look after your machine.

Fine-tune settings with electronic control

With the electronic control you can easily control your fridge functions. The convenient display offers effortless access to temperature and other general settings.

Bright LED lights let you see everything inside.

Say goodbye to dark fridge interiors where you can barely see what you're looking for. The soft and even lighting of bright internal LED bulbs give you the visibility you need and are energy-efficient.

Peace of mind with five-year warranty

This compressor's five-year warranty covers labour, transportation, gas removal and refilling, accessories, general maintenance, and any service costs that may be incurred. So you can relax, safe in the knowledge that we will look after your machine.
